

NATURE'S
PHARMATROPIA
BLUE LOTUS

Blue Lotus

How to prepare

How to prepare your Blue Lotus tea:

- Take your lotus flower and place it in a cup or tea infuser of choice
- Pour boiling water unto your cup and let it sit for 5 minutes
- You can add a squeeze of lemon juice and honey or sugar to taste. The acid of the lemon works in extracting more of the blue lotus alkaloids.
- Enjoy your cup of bliss!

Did you know? You can eat the lotus flower afterwards and also re-use the same flower for 2 or 3 times as they are quite potent.

Adding lemon juice gives the tea a beautiful pink color, sweet butterfly pea tea will give it a rich blue color.
